

**Key Concepts:**

*Warning: this list is not comprehensive!*

- **Terminology:** iteration, sentinel value, scope
- **While Loops:** infinite loop
- **For Loops:** init, condition, update
- **Increment Operators:** ++i vs i++
- **Keywords:** break, continue, enum
- **Vectors:** template, size(), push\_back()

<https://en.cppreference.com/w/cpp/container/vector>

- **Arrays vs Vectors**
- **Char Arrays vs CStrings**
