Interpreting Your Performance

18 - 20 Correct | Very impressive! Remember to not be overconfident, do a little review, and hopefully you should be more than fine for the final!

15 - 17 Correct | You did well! If you review the course material and sample midterm, hopefully you should be fine for the final!

12 - 14 Correct | You should make sure to review the course material and sample midterm in detail and come to office hours with additional questions to improve your odds of doing well.

0 - 11 Correct | It would be a very good idea for you to do a detailed, thorough, and comprehensive review of all the course material, sample final, and my notes. It is also strongly encouraged for you to start proactively asking questions on Piazza and in office hours.
